Description

Dave Upholstered Barrel Back Swivel Club Chair Beige

Wrapped in a beige boucle fabric, this contemporary swivel accent chair is the perfect addition to a vintage-inspired home. A throwback to a retro era, the chair offers a barrel style design situated on a pedestal base, swiveling 360 degrees. A wonderful addition to a conversational seating arrangement or open floor plan entertainment space, this chic swivel chair also offers a softly rounded back with subtle channel tufting and tapered off armrests. A waterfall-style, tailored seat cushion further lends to the clean lines of this clever, versatile accent chair. The matte black finish on the base also adds a striking contrast for a modern touch.
