

Camden Dining Table

DININING ROOM TABLE: Camden Dining Table

Punctuate your home with the luxurious look of a faux marble dining table, bringing the classic modern look of black marble and black metal into your space. This affordable table features a marble printed melamine top that adds a sense of sophistication to its timeless, classic silhouette. The table is upgraded with a bold tapering pedestal design, and its round top provides a unifying look and feel. The geometric form of the table's base creates a scalloped effect, adding a sense of depth and dimension. The base features a crisp black finish, complemented by hammered tone metal legs that add a touch of texture and an industrial chic to the dining table. This table can comfortably accommodate 4 people, making it a perfect addition to your dining room. • Energize your dining room with the lux look of a modern round dining table • Features a faux black marble finish on the round tabletop for a sense of luxury • Pedestal design with a tapering base and geometric scalloped look adds texture • Crisp and bold black finish for standout style to emphasize your stylish dining room • Constructed with hammered tone metal legs for a touch of texture and industrial chic
