

## Edson Dining Table

This bold dining table brings modern sophistication to your dining space with its striking design and luxurious finishes. The semi-opaque tempered glass top, finished in a rich tawny hue with rounded corners, beautifully contrasts the flowing, sculptural metal base in a deep bronze finish. The unique wave-like shape of the base adds visual intrigue while ensuring stability, creating a captivating centerpiece for any dining area. Perfect for contemporary interiors, the table effortlessly combines form and function with its sleek materials and artistic appeal. Whether for dinner parties or casual meals, this dining table makes a stylish statement. • Dining table with semi-opaque tempered glass top in tawny finish and rounded corners • Sculptural metal base in a bronze finish with a wave-like design for visual interest • Rectangular glass top offers a sleek, modern look while maintaining a soft edge • Sturdy metal base provides both stability and durability for everyday use • Generously sized 72 inch surface for hosting meals and gatherings
