

Joyce Upholstered Barrel Back Swivel Chair White

Compact in silhouette but overflowing with style, this contemporary accent chair is a perfect choice for a bedroom or living room sitting area. Its rounded, barrel-inspired silhouette swivels for 360-degree seating perfect for multi-functional spaces. The tight back and seat are upholstered in bright white faux sheep skin that adds soft texture and dimension with an earthy, modern twist. Foam cushioning assure maximum comfort, with webbing support for a firm feel. Perfect for lounging during a video call or catching up with friends and family.
