

Tevlin Dining Collection

Instill a sense of luxury with this striking contemporary dining table, featuring a genuine white marble tabletop. The rectangular table, constructed with engineered marble veneer, china white marble, and MDF, comfortably seats friends and family, offering a fresh, modern look. Brimming with elegance, the table showcases the white marble to perfection, allowing its natural veining to create a rich, refined character. Adding a touch of glamour, the table is supported by a double pedestal base, each pedestal being a curvy, three-sided structure made of champagne gold stainless steel. This stunner is an exceptional focal point in any sophisticated dining room. Engineered marble veneer lends luxurious energy and elegance to a modern rectangular dining table. Double pedestal base features three-sided, curvy supports. Gleaming gold finish is deep and rich, adding metallic allure to the graceful nature of stone. Natural veining and patterns create depth and dimensionality for a chic tabletop. Table legs include levelers to ensure that sits flat and flush without rocking or movement.
